GENERAL CDRL INSTRUCTIONS

These General CDRL Instructions, Block 10 (Preparation Instructions of DD Form 1664 (DID)), together with any tailoring cited in the CDRL, contain instructions for preparation of data delivered under this contract.

- 1. All references to DIDs are made by referring to the numbers appearing in the upper right hand corner of the DD Form 1664. These same numbers appear in Block 4 of each DD Form 1423 of these CDRL exhibits
- 2. Certain DIDs called out in the CDRL have been tailored from the standard format specified on DD Form 1664. The tailoring (modification) indicates that the DID form/content requirements have been altered for the particular DD Form 1423. In such or the letter "/T" (tailored) has been suffixed to the DID number appearing in Block 4 for example DI-CMAN-80792A/T.
- e DD Form 250 3. Each data submission made against a CDRL exhib heth red b or by Letter of Transmittal, must be identified is nu er will identify num y a pa which consecutive delivery is being ten Go ent (osition, e the first delivery against CDRL DD Form 1423 sequenc umbered $\frac{1}{200}$ 1-1 and the um A0d t second delivery would be n Α
- 4. All Letters of Transmitt and F and we she tenders the data item being delivered must identify the contract rather liber and the of the DID, the CDRL Sequence Number, office symbols and the number of pictures is trouted, and any other pertinent information.
- 5. One copy of either the I are made at 250 or the Letter of Transmittal (without the data item itself) shall be delivered to:
 - a. ESC/DIGK (ATTN: PCO)
 - b. ESC/DIGD
- 6. In Block 9 of the DD Form 1423, reference MIL-STD-1806, "Marking Technical Data Prepared by or for the Department of Defense", dated 90 Feb 01. Statement B: Distribution authorized to U.S. Government agencies only for Contractor Performance 16 Jul 01. Other requests for this document shall be referred to ESC/DIGK.
- 7. Reference Block 8 of the DD Form 1423. Unless stated otherwise in this CDRL or any other section of this contract, the Government will approve, approve with comments, disapprove, or otherwise respond to all data item deliveries by 45 calendar days after receipt. However, on 1423's where there is no "A" in Block 8, the Government is not obligated to respond, but may respond if the data item delivery does not meet contract requirements.
- 8. The delivery due date of each data item is stated in Blocks 12 and 13 of the DD Form 1423. The due date is defined as the date by which the data item must be in the hands of all addressees

listed in Block 14 of the DD Form 1423. The Contractor's failure to either deliver the data items on time or to deliver them period is a failure to meet the material requirements of this contract. The Government reserves the right to respond to such a failure by either reducing or stopping progress payments or by terminating this contract for default.

- 9. This CDRL exhibit is considered to be a complete specification of the data items which are required to be delivered against the corresponding CLIN. The Contractor is obligated to meet all requirements of this CDRL exhibit. The claim that a particular DD Form 1423 data item was not bid in the Contractor's proposal does not relieve the Contractor of the obligation to deliver data items as stated in this CDRL exhibit. It is the Contractor's responsibility to specifically identify in the proposal which DD Form 1423 data items it takes exception to. Such an exception would be dealt with at the time of contract negotiations, and the CDRL exhibit would then be amended, if necessary.
- 10. The contractor shall implement an electronic data interchange wi ernment to: 1) exchange electronic messages, 2) provide electronic access to a deliverables and to any other data sources that the contractor determines would oeneficial provide electronic access to other data necessary to support th nd en eering efforts of nage the program. The contractor's electronic data hall b Gov ment tools. Final pati ORA media shall be Microsoft Office format
